Convention Meeting

Dear Sir:

We are trying to contact any group on your campus who operates or is interested in forming a collegiate radio station. If there is no such group on on your campus, please check the appropriate space on the enclosed card and return it to us. If there IS such a group, please forward this letter to them.

Please note that we have scheduled a special session on forming a collegiate radio station. We have found that a radio station fills a vital need on the college campus, a need that can be filled no other way. If you can interest a group in forming a radio station, please do so. Both the group and the college will benefit.

Thank you,

George Heeden, Jr.
